

## **Pub Manager – The Albion, Islington - £38-£42K + Quarterly Bonus**

We are currently looking for an experienced general manager to join the Albion team in all aspects of running this high volume gastro pub in North London. You must have at least 5 years' experience within high quality establishments as a general manager and preferably at busy gastro pubs in London.

Part of the Elephant Hospitality group; the Albion is a traditional and historic pub with one of the best beer garden in London that is brimming with character. We use fresh seasonal ingredients, striving to create the ultimate gastropub experience, from innovative, seasonal dishes and pub classics to a fine selection of wines and real ales in a friendly, laid-back environment.

The Pub can serve anywhere between 300-400 covers per service.

As the General Manager you will report into the owners and be fully responsible for running the day to day operations. This role is for someone who understand numbers and is financially sound.

You will need to be passionate about great service, have good floor presence and customers skills. You need to be committed to people development, and have a proven track record in delivering profitable returns. You should be technically knowledgeable in employment practices and IT literate.
